# Kitten Care Advantage

for cats less than 6 months of age

## **Initial/First Visit**

1 hour exam and consultation

- Answer all your questions regarding your new pets behavior, training, health, nutrition and safety.
- 1 Microscopic fecal analysis to screen for intestinal parasites.
- 1 Dose of Strongid: oral routine deworming medication
- 1 FeLV/FIV test,
- Age appropriate vaccines

## **Subsequent Visits**

30 minute exam and consultation

- 1 Microchip, registration included, hosted by PetLink.net.
- 1 additional fecal analysis
- 1-2 Additional doses of Strongid
- 1 additional FeLV/FIV test
- Age appropriate vaccines

**Age Appropriate Vaccine Recommendations:** Include up to 3 FVRCP, 2 FeLV, 1 Rabies.

**Fine Print:** Package is intended for healthy pets in need of routine health care. Exams or treatments as part of illness or injury are not included in this package. Package includes all items listed above only and must be paid in full at initial visit in order to receive promotional pricing. Services must be completed in a timely manner following DVM recommendations. Vaccine boosters not received per DVM recommended schedule will be at owners expense. Package is non-refundable, non-transferable and cannot be modified.
